MISSION OF THE SOCIETY:

The mission of the Old York Road Historical Society is to study and preserve the history and folklore of the communities along and adjacent to the Old York Road corridor. To this end, the Society sponsors a number of programs and maintains a research library and archive located on the lower level of the Jenkintown Library. While we study the history of the communities along the Old York Road from Philadelphia to New Hope, we specialize in the history of the townships of Abington, Cheltenham, Lower Moreland, and Upper Moreland and the boroughs of Bryn Athyn, Hatboro, Jenkintown, and Rockledge.

ARCHIVE HOURS:
